

How Much Does Your Country Mean To You?

UT the question straight up to yourself in these hours when your country is fighting to make the world safe for democracy—safe for your country, your home and you.

You answer in your subscription to the Second Liberty Loan. By the ready warmth of your response, you measure the depth of your love for your country, and your gratitude for the comforts and advantages its democracy gives you.

You measure them not in the size of the bonds you buy, but in the sacrifice you make to buy them.

Picture what your life would be in a country bereft of freedom; picture what you might be, had it not been for the opportunities our land of liberty gave you; picture the future of your child in the grip of the iron fist; and put the question to your mind, heart and soul, and sum up what your country means to you in sentiment and self-interest; for all that strikes at your country strikes at you and your home.

Then proclaim your answer in the buying of ALL the U. S. Government Liberty Bonds you can.
